

SALCIDO GONE DISMISS CASE

Ruperto Saragoza Will Not be
Tried on Charge of At-
tempted Murder

Ruperto Saragoza will not be tried for attempting to kill Pedro Salcido, his brother-in-law. Salcido has disappeared.

Saragoza was arrested in August following the wounding of Salcido. Salcido beat his wife, who sought protection from her brother, Saragoza. Salcido attacked Saragoza with a knife, and Saragoza fired three shots into Salcido's abdomen. Salcido appeared at the preliminary examination but left the county before the trial. Saragoza was given his freedom without bail.

This morning District Attorney Davis stated to Judge West that the complaining witness was out of the state and could not be found. The case was dismissed.

500 LOS ANGELENOS TO GO TO KING'S CROWNING

LOS ANGELES, Nov. 17.—King George of Great Britain is to be crowned on June 22, 1911, and 500 English residents of Los Angeles have made inquiries for reservations on the trans-Atlantic steamships to attend the ceremonies. No event in England has created the demand in this state for transportation as this celebration.

Over 200 natives of England here have applied to Hugh B. Rice's office for accommodations so far.

CONSPIRACY SAID TO HAVE EXISTED

Mo. Pacific Gets Confessions
From Men That Chiefs
Ordered Violence

KANSAS CITY, Mo., Nov. 17.—Sworn confessions that they maliciously destroyed machinery at the instruction of high officials of the local Machinists Union were issued today by P. E. Sweeney and W. G. Owens, ex-employees of the Missouri Pacific shops at Sedalia.

The men were convicted of malicious destruction of property and sentenced to six months in jail. According to their confessions they placed steel filings and emery dust in the bearings of locomotives. The authorities withheld the names of the alleged instructors.

The railroad officials assert that many arrests are forthcoming here and in St. Louis as a result of an alleged conspiracy. They claim a wholesale plot was evolved to ruin the rolling stock of the road. They allege the biggest union leaders in the state are involved.

LONG BEACH TO BEGIN WORK ON POLY SCHOOL

LONG BEACH, Nov. 17.—At a meeting of the Board of Education, held last evening, the matter of the laying of the cornerstone of the new \$200,000 Polytechnic High School was acted upon. The actual laying of the stone will be done by the local lodge of Masons. The High School orchestra will furnish the music and the children from all the city schools will parade about the grounds.

TOLSTOI REPORTED DEAD BUT HAS PASSED CRISIS

ST. PETERSBURG, Nov. 17.—Great excitement was caused here last night by the contradictory reports concerning the condition of Count Tolstoi. It was reported during the evening that the aged author was dead, following the development of inflammation of the lungs. Shortly after midnight this report was authoritatively denied by a correspondent of the Novoe Vremya at Astapova, who announced the patient had passed the critical stage of his illness and was resting easily.

CELEBRATED DESERT TURTLE FOUND DEAD

SAN BERNARDINO, Nov. 17.—"I. J. H. 1880," a celebrated desert turtle, which for over 30 years has been a pet of miners in Ivanpah Valley, reappearing each winter with the punctuality of clock-work, was found dead Monday by Henry Parsons and Bert Taylor, who will ship the huge shell to the Los Angeles Chamber of Mines.

CANADA FRIENDLY TOWARDS AMERICA

When Opening Dominion Parliament
Today Earl Gray Voiced Hope of
Reciprocity Agreement

OTTAWA, Nov. 17.—The first session of the eleventh Canadian Parliament was opened today by Governor Earl Grey. In view of the approaching election, the session is expected to be long, and filled with bitter debate.

Earl Grey, in his opening speech, expressed satisfaction in the opening of reciprocity negotiations with America. He mentioned the agreement with America for the regulation of international water rights, and promised a new banking act.

Friendly relations with the United States was the keynote of the speech Lord Grey read from the vice-regal throne. He demanded closer relations in every possible manner, calling particular attention to the need of a more equitable tariff. The speech occupied the greater part of the session.

"America's commercial policy here tofore has been unfavorable to Canada," he said. "The discovery that those conditions are being improved is gratifying and it is to be hoped that satisfactory trade arrangements will soon be made."

MEAT PACKERS ASK CHANGE OF VENUE

Would Leave Judge Landis As
He Heard Previous Case
Against Them

CHICAGO, Nov. 17.—The petitions of the indicted Chicago meat packers for a change of venue from Judge Landis's court was heard by Judge Landis today.

The government attorneys opposed the allegations of the packers' attorneys that Judge Landis should not hear the cases because five years ago he prosecuted a rebate case against the packers.

Attorney John Miller for the packers averred that Judge Landis is now trying the same men he prosecuted as a special assistant to the attorney general. He declared the corporations now under indictment are identical with those that Landis fought. No indications are given by the court as to when the decision will be forthcoming.

Attorney Rosenthal, for the packers, declared that Judge Landis, under the Illinois statutes, has no alternative and must grant a change of venue. As rebuttal declared that the matter is optional with Judge Landis. Following Wilkerson's argument the court adjourned until tomorrow.

DISASTERS OCCUR ON STORMY WATERS

Liners Crash on North River—
Chehalis Drifts Tempest
Tossed on Sea

NEW YORK, Nov. 17.—The gigantic liners "Prince Friedrich Wilhelm" and "The Lorraine," collided in the fog in North river this morning and a great hole was torn in the Friedrich's stern. The passengers were panic stricken and life preservers were distributed. The ship managed to make the docks and the passengers were disembarked.

"CHEHALIS" ADRIFT SOUTH OF POINT CONCEPTION

SAN FRANCISCO, Nov. 17.—A wireless to the Merchants Exchange says the steamer "Chehalis," Captain Kettleson, carrying passengers from San Francisco to Los Angeles, is helplessly adrift, with machinery disabled, ten miles south of Point Conception. A steamer will be sent to the rescue of the Chehalis immediately.

PASSENGERS OF WRECKED "PORTLAND" ARE ALL SAFE

KATILLA, Alaska, Nov. 17.—All passengers who were wrecked on the steamer "Portland" and marooned for several days, are safe here today. They will be cared for at hotels and homes of citizens and proceed north on the next steamer.

WOMEN MEET IN ONTARIO IN MISSION CONFERENCE

ONTARIO, Nov. 17.—The annual conference of the Woman's Missionary Association was opened yesterday morning at the Christ Episcopal Church by Bishop Johnson of Los Angeles. Speakers included Mrs. Cowles of Los Angeles, president of the National Federation of Women's Clubs; Mrs. Laura Smith, of Los Angeles; Mrs. Wheelock, of Riverside; Bishop Johnson, and Dr. Dotten, of Riverside.

Dr. H. M. Robertson, Physician and Surgeon, Office Cor. 3rd and Main, opposite City Hall. Both Phones.

SEEK SURVIVORS OF SHIP WRECK

Steamer With Supplies Begins
Search for Passengers and
Crew of Wolverine

SELKIRK, Manitoba, Nov. 17.—The steamer "Lady of the Lake" started today to search Lake Winnipeg for traces of the ninety-four passengers and crew of the lost steamer "Wolverine."

The survivors are supposed to be marooned on one of the many small islands in the lake. The government is directing the search. The boat is equipped with food and medicines.

ROOSEVELT WILL TALK OF WILD MEN AND BEASTS

NEW YORK, Nov. 17.—Col. Roosevelt appeared at the Outlook offices today for the first time since election and declared he was feeling "fine." Otherwise he was uncommunicative. When asked his opinion of the election in New York, he referred his questioners to the editorial columns of the New York Sun and Post, which opposed him in the campaign. He goes to Washington tomorrow to address the National Geographical Society on "Wild Men and Beasts I Met in Africa."

BOND ELECTION TO BE HELD ON DEC. 10

Anaheim Gazette: The bond election for \$40,000 to build a new school-house in the Anaheim district will be held on Saturday, Dec. 10. The polls will be open from 8 o'clock a. m. until sundown.

The election board is composed of C. E. Holcomb, inspector; and C. H. Eygabroad and F. C. Rimpau, judges. This money will be expended, according to the official notice, published elsewhere in this paper, for the purchase of lots, erecting a school building, for supplying of the various rooms with necessary furniture and school apparatus, and for beautifying and improving grounds.

TWO BOYS TO SERVE 10 YEARS IN PRISON

Youthful Arizona Train Robbers
Sentenced—One Sobs as
He Hears Fate

PHOENIX, Ariz., Nov. 17.—In the Federal court this morning Judge Kent sentenced Oscar and Ernest Woodson, of the ages of nineteen and twenty-one years, to ten years imprisonment in the Federal penitentiary at Fort Leavenworth, Kansas.

The boys were found guilty of robbing the Phoenix and Mariposa train last May. The younger boy sobbed when the sentence was pronounced.

LILLIAN M. N. STEVENS AGAIN W.C.T.U. PRESIDENT

BALTIMORE, Md., Nov. 17.—Mrs. Lillian M. N. Stevens of Maine was yesterday re-elected president of the National W. C. T. U. The other officers were also re-elected. Preceding the election the organization went on record as strongly opposed to the "third degree" methods used by the American police and to the opium traffic involving Great Britain and China.

BAY CITIES MAY UNITE

"Greater San Francisco" is the
Slogan Since Census Re-
turns Have Been Made

SAN FRANCISCO, Nov. 17.—The movement for a "greater San Francisco" was given an impetus by the announcement of the population of the bay cities. Reports are rife that the local civic organizations are planning an active canvass in the east bay cities to learn their attitude toward consolidation.

With the incorporation of Oakland, Alameda and Berkeley, the city would have 630,000 inhabitants, and including San Mateo and Marin county cities, would have 700,000. With these cities San Francisco could be the fifth in the country, almost tying St. Louis. San Francisco is now the eleventh.

BERKELEY IS "WILLIN'" TO CONSOLIDATE

BERKELEY, Nov. 17.—The dispatches outlining the probable agitation for a greater San Francisco was no surprise to the business men here. The plans have long been favored in order to prevent absorption by Oakland. It is not believed here that Oakland will consent to absorption by San Francisco.

TIMES JURY HEARS LEADER OF LABOR

Proceedings of Special Grand
Jury Promise to be Long
Drawn Out

LOS ANGELES, Nov. 17.—When the grand jury investigating the Times explosion re-convened this morning, the first witness called was Edward Crough, organizer for the Western Federation of Miners. Crough entered the jury room at 10 o'clock and remained the greater part of the morning.

Mrs. Belle Lavin of San Francisco, the alleged friend of the men suspected of buying the dynamite at the Giant Powder Works, was expected to be recalled this morning. The fact that Crough was called before the jury resumed with her caused a discussion among other witnesses. Several Los Angeles detectives, believed to have been subpoenaed recently, sat in the lobby today.

ARIZONA DEFEATS PROHIBITION AND WOMAN SUFFRAGE

PHOENIX, Wash., Nov. 17.—The submission of state-wide prohibition and woman suffrage to the voters at the same time the constitution is submitted, was defeated by the constitutional convention today. The prohibition proposition lost by a vote of thirty-three to fifteen, one Republican and fourteen Democrats voting "dry." Suffrage lost by thirty to nineteen.

W. W. Burke, who conducted the prohibition fight for the Anti-saloon League declared the political aspirations of delegates who feared the power of the saloon interests, defeated both measures.

ALASKA GOLD ARRIVES
SEATTLE, Wash., Nov. 17.—The steamship Olympia, from Valdez, last night brought \$500,000 in gold bullion. More is coming up the Yukon on dog sleds.

Weather Forecast

Cloudy tonight and Friday; light west wind.

"THE MEN" AT PANAMA HONOR PRESIDENT TAFT

COLON, Nov. 17.—Among President Taft's telegrams this morning was a message signed "The Men," telling of the work of the canal. It read:

"Four thousand four hundred and forty cubic yards of concrete was laid in Gatun locks, and five hundred and forty-one at Gatun spillway laid yesterday in honor of your visit. This is the record for any one day since the canal work began." President Taft read the message twice, and apparently was well pleased.

STRIKE MENACING AQUEDUCT SCHEME

Laborers Quitting After Price of Meals
Was Advanced Will be Joined by
Dredgemen and Shovelers

SAN FRANCISCO, Nov. 17.—President Kelly of the Labor Council, at the request of the Western Federation of Miners, some of whose members, the employees of the Los Angeles aqueduct, have gone on strike, is arranging through the dredgemen's union for a complete tying up of the work on that job.

Business Agent Sherbsman of the Steam Shovelers and Dredgemen's Union, wired the men of his organization to quit immediately. The dredging engineers organization plans taking a similar action.

DREDGEMEN AND SHOVELERS WILL STRIKE IMMEDIATELY

LOS ANGELES, Nov. 17.—The proposed strike of the steam shovelers and dredgemen employed on the aqueduct is not a surprise here. Both unions are under obligations to the Western Federation of Miners for permission to work in the Federation's territory. The Federation has demanded a sympathetic strike which will be declared immediately.

KINGS EFFORTS FOR PEACE WERE VAIN

Liberals Deliver Ultimatum—
Lords Must Consent to the
Curb of Veto Power

LONDON, Nov. 17.—The personal efforts of King George to avert the political crisis have failed. The Liberals today presented an ultimatum to the House of Lords that unless they consent before November 28 to pass a bill limiting the lords' power of veto, Parliament will be dissolved and a general election held.

The King was apparently trying to bring about a compromise. Premier Asquith's position is believed to be unassailable. He is reported to have refused to meet all overtures.

ENGLEBRIGHT BEATEN FOR CONGRESS BY RAKER

SACRAMENTO, Nov. 17.—With a plurality of 124 votes as shown by the official count in the various counties of the First Congressional district, except Shasta, Judge J. E. Raker of Modoc county has won the fight for Englebright's seat in congress. The Nevada county man was beaten by fifty votes in his own county and out of the nineteen counties in the district he carried but six. Humboldt gave him a plurality of 2426. Two years ago Englebright carried nearly every county in his district with a plurality of 6593.

20,000 WOULD SAVE DR. CRIPPEN FROM HANGMAN'S NOOSE

LONDON, Nov. 17.—A petition bearing twenty thousand signatures and asking for a commutation of the death sentence of Dr. Crippen, was presented to Home Secretary Churchill today. The petition asks that Crippen be imprisoned for life but not executed.

CITIES ASK FOR NEEDED RELIEF

Municipal League Wants Board
of Utilities Such As Exist
in the East

SAN DIEGO, Nov. 17.—The Republican state central committee may be asked to secure legislation for the establishment of a state public utilities board similar to those in New York and Wisconsin.

The request will be made by the California League of Municipalities in session here, according to Percy V. Long, city attorney of San Francisco, who is scheduled for the principal address before the convention this afternoon. The establishment of such a board it is believed, Long claims, is the only remedy for corporation evils in California cities. The delegates are reported as practically unanimous for the plan.

SEARS ROEBUCK TO SELL LAND BY MAIL ORDERS

SACRAMENTO, Nov. 17.—The Sears-Roebuck Company, the Chicago mail order house, will take over 22,000 acres of the famous "Haggin Grant" in Sacramento Valley, and will sell it by mail order throughout the world, according to a statement today by A. E. Roebuck, head of the firm. A gigantic colonization scheme is planned. The purchase price is reported as two and one-half million dollars.

PACIFIC CONGRESS MEETS IN FRISCO

Will Consider Many Questions
of Particular Interest to
This Coast

SAN FRANCISCO, Nov. 17.—With the primary object of securing efficient naval defense for the Pacific Coast, and a secondary purpose to formulate demands for more political recognition, the Pacific Coast Congress, called by Governor Gillette, is scheduled to meet this afternoon. Governors from the coast states and representatives from Nevada, Arizona, New Mexico and Idaho were present. The delegates spent the morning sight-seeing in automobiles.

Important business for the congress is scheduled for tomorrow. The convention will then consider ways and means for waterways improvements and discuss the relation of the Federal government and the states toward irrigation. The delegates will present a proposition to demand a greater coast representation in the President's cabinet.

HANFORD, WASH., DESTROYED

SEATTLE, Nov. 17.—Fire today wiped out the village of Hanford, Washington. Fourteen persons narrowly escaped death in a hotel by leaping from the windows.

CASE TO BE TRIED ON NOVEMBER 22

Validity of Stopping Payment
on Check to be Tested in
Local Court

By stipulation in Justice Smithwick's court the trial of the suit of Nathan Feder against Nickey Hardware Co. was this morning continued to Nov. 22. This suit grew out of stopping payment on a check given by the hardware company on Dec. 4, 1909, as change on a bogus check accepted by the firm.

On Dec. 4, 1909, a man giving his name as Geo. B. Morgan made a purchase at the store, and gave a check in payment. A \$20 check was given in change. When the store found that Morgan was a swindler, payment on the check was stopped. In the meantime, however, Morgan had disposed of the check at Feder & Co., Los Angeles, who received it in good faith. The First National Bank of this city sent the check back to Los Angeles, payment having been stopped, and Feder brought suit.

FAY GRAVEL IN CHICKEN CROPS LEADS TO ORE FIND

SEWARD, Neb., Nov. 17.—Gold gravel found in the crops of chickens from the farm of John Dillenbeck, near Seward, is responsible for an offer of \$80,000 which has been made by Colorado capitalists for eighty acres of the Dillenbeck farm. Prospecting has located a great body of ore and a cyaniding plant is to be erected at once. The ore runs \$4.40 per ton.

That Santa Ana expends \$6,495 a month during the school year upon her schools is shown by figures compiled by John Beatty, secretary of the Board of Education, last night.

The number of employees of the Santa Ana schools is sixty-nine. The salaries of high school faculty totals \$2135 per month; salaries of the grades faculties, \$3145; salaries of the special teachers, \$340; salaries of kindergarten teachers, \$200; salaries of superintendent of schools, janitors and office help, \$675.

FINELY EQUIPPED WARD IN HOSPITAL IN CITY

LOS ANGELES, Nov. 17.—The Los Angeles County Hospital is to have a modern six-story steel and reinforced concrete surgical ward. The plans for the proposed structure were completed yesterday and within the next few days bids for the construction of the proposed building will be advertised for. When the ward is completed it will mean that the hospital here will be the finest in the state and the most thoroughly equipped institution west of Chicago. The new ward will signal the completion of improvements planned four years ago by Dr. D. C. Barber and the late Dr. Joseph Tanner.

MEANING OF LATE ELECTION RESULT

La Follette Says It Declared for
Progress and Against
Reactionaries

MADISON, Wis., Nov. 17.—Today's issue of La Follette's Magazine contains full comment on the recent elections. The senator declares the result is a stinging rebuke to "a certain form of Republican government," but was not a Democratic victory.

"The result was a declaration in plain terms," he says, "that the people want no more senate or house committees dictated to by J. P. Morgan's private officers. No longer will the people submit to bills drawn by Morgan's attorneys in Boston and New York. Real laws must be enacted, and the government must administer them properly. The election results condemn the administration of President Taft, Wickersham, Ballinger and Hitchcock, and repudiate Aldrichism and Cannonism. The real significance is that the people endeavored to show their approval of progress and disapproval of reaction or compromise."

DE LESSEPS TO BREAK GROUND FOR CANAL FAIR

SAN DIEGO, Nov. 17.—Acceptance of the invitation to break ground for San Diego's Panama-California Exposition was received yesterday from Count Jacques de Lesseps, now in Baltimore. Arrangements are under way for holding the exercises early next spring. Count de Lesseps was selected because his father was the engineer who first conceived the building of the Panama Canal.

BAPTISTS TALKED ABOUT MISSIONS AND S. S. SCHOOLS

REDLANDS, Nov. 17.—The session of the Baptist Association yesterday morning was given over to reports of the year's work in various departments, the afternoon session being taken up with a discussion of Sunday school work and the presentation of the missionary work in the state, home and foreign fields. A symposium on "The Church and its Local Work" was conducted. George Swing of Riverside, Rev. J. E. Swan, Rev. J. S. Pate and Rev. E. E. Harkness speaking on various topics.

Tuesday night the educational report was given by A. H. Collins, followed by an address by President Field, in which he urged the churches to support the new Baptist University at Redlands.

CURTIS WILL HAVE WINTER QUARTERS

Advance Guard Arrives in Los Angeles to Select Grounds for Famous Aviator

Los Angeles Examiner. The vanguard of the flock of aviators now turned toward Los Angeles arrived here yesterday in the person of R. R. Young, manager for Glenn Curtiss. Accompanied by six star performers with Curtiss machines, Glenn Curtiss, famous rival of the Wrights, will reach Los Angeles early next week.

Manager Young's mission is to fix upon a permanent winter aviation and experimental station for Curtiss in or near Los Angeles. He holds an option on the Motordrome field at present, and a series of exhibition flights will be given there on December 9, 10 and 11. Whether the per-

Bad Symptoms.

The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without pain, etc., etc., is suffering from weakness and derangements that should have early attention. Not all of above symptoms are likely to be present in any case at one time.

Neglected or badly treated such cases often run into maladies which demand the surgeon's knife if they do not result fatally.

No medicine extant has such a long and numerous record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong professional endorsement of each of its ingredients—each more than a hundred of which are non-professional testimonials. The very best ingredients known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle-wrapper and attested under oath.

In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. Too much must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine will. It will often prevent them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.

Women suffering from diseases of long standing, are invited to consult by letter free. All correspondence is held a strict private and sacredly confidential. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y. Dr. Pierce's Medical Adviser (1000 pages) is sent free on receipt of 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy. Address as above.

A GROCERY FIRM TRADES BUSINESS FOR ORANGE GROVE

FULLERTON, Nov. 16.—By the terms of a deal put through this week the grocery firm of Cline Brothers, one of the oldest of this city, sold the business to J. S. Pearson, who came here some time ago from Oklahoma. T. W. Cline, the senior member of the firm, has been engaged in business in Fullerton for the past quarter of a century. As a part of the deal made today Mr. Cline will obtain possession of a ten-acre orange ranch on East Orangethorpe avenue, about one mile east of town.

Stern & Goodman have purchased from the Los Angeles Board of Trade the stock of goods of the firm of McGimpsey & Gage, which recently assigned in favor of Los Angeles creditors.

Harry Rowley and Miss Jessie Young, well-known young people who formerly lived in Fullerton, were married on Tuesday at the home of the bride's mother, in Inglewood. Mr. and Mrs. C. E. Ruddock and Mr. and Mrs. W. E. Oswald of this place were in attendance.

BARNEY OLDFIELD WILL RACE AT MOTORDROME

Los Angeles Examiner: Barney Oldfield, the "speed king," wearing his newly acquired war smile and as full of fight as a bull terrier, arrived in Los Angeles yesterday ready to fulfill his end of a contract he signed a month ago with the motordrome.

The American Automobile Association placed Oldfield on the blacklist because he took part in an unsanctioned race with Jack Johnson, but Barney has kept on racing.

"Glad to get back to God's country," were the first words of the autoist as he got aboard a big touring car at the station. "I've come to Los Angeles to race November 26-27, and I don't know any reason why I shouldn't carry out the agreement I entered into with the motordrome."

With Oldfield came Ben Kerscher, his chief mechanic, and Gene Martin, an assistant. He brings four big racers.

FRISCO MADE GAIN

74,130 IN 10 YEARS

Population Now 416,912—Per Cent of Gain 21.6—3222 Names Eliminated

WASHINGTON, Nov. 17.—The director of the census issued last night the following report:

"According to the official count of the returns of the thirteenth census, the population of the city of San Francisco, Cal., is 416,912, as compared with 342,782 in 1900, and 298,997 in 1890. The increase from 1900 to 1910, therefore, is 74,130, or 21.6 per cent, as compared with an increase for the preceding decade of 43,785, or 14.6 per cent."

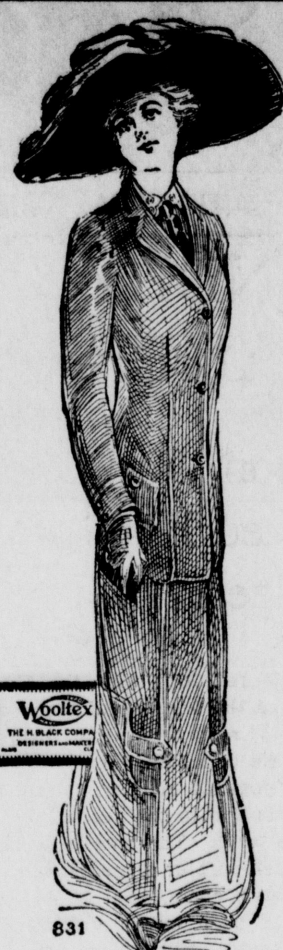

The original returns of the enumerators contained 420,234 names, but of these, on investigation by the census bureau, 3222 were eliminated as not entitled to enumeration. There was, however, found no evidence of intentional fraud on the part of the enumerators, but the eliminations were all in cases where the enumerators had interpreted their instructions too broadly or where the judgment of the census bureau as to the propriety of including the names differed from that of the enumerators.

representative in this city. The plan will bring many easterners to the country immediately surrounding Huntington Beach. James E. Wickham, who will represent the syndicate, is already here.

The brick-making capacity of the Raine Tile Works of this city will be increased one-third, and the tile-making capacity will be doubled by the addition of new machinery, which has been ordered and is expected to reach the plant early in December.

PANAMA CANAL MAY BE FINISHED 1914

PANAMA, Nov. 16.—President Taft was informed today that there is a great probability of the canal being finished by December, 1913—one year ahead of schedule time. It all depends on the lock gates, which were promised for June, 1911. In the event no hitch comes, January 1, 1914, will find ships steaming through the locks, although the formal opening will not be until January 1, 1915.

In this connection Goethals, answering rumors that Taft's visit proposed the planning of an extra \$100,000,000 for the canal, declared that it would be finished by January 1, 1915, at the original estimate of \$375,000,000 and not a penny more.

Whether the canal shall be left to civilian or military control is a problem in which is embraced, not only the question of fortification, but virtually the success of the whole project. The demand is growing that either a navy official or some other man be made administrator with absolute responsibility, reporting to the president, and that the government not only assume charge of coal depots, but of all supplies to prevent monopoly, regulate prices and attract the commerce of the world.

The plan looks to the establishment of great dry docks, the maintenance of the present machine shops, big supply depots, so that not only the United States navy, but the commerce of the world can dock, repair, coal and victual, at the government plant.

The president visited Gatun today, entered the big locks and said that magnificent progress had been made since he was here two years ago.

PREFERS JAIL BED TO OUTDOOR NIGHTS

Robert Marshall, who begged at back doors of Tenth street residents yesterday, is to spend ten days in jail, at which order he is not at all displeased. He finds these nights rather cold, and he prefers a bed in jail to "laying out." He served a term in jail last winter. He is wearing a Masonic emblem, and there is good reason to believe he is an impostor. The matter will be looked into. He says he belongs to a lodge in Scotland.

INDIGESTION GOES

Rowley Drug Co. Sells Best Prescription on the Money Back Plan

—Almost everybody knows that sick headache, nervousness and dizziness, are caused by a disordered stomach.

Upset stomach and indigestion happen just because the food you eat does not digest—but lies in the stomach and ferments or turns sour.

You can stop fermentation and stomach distress in five minutes by using MI-O-NA stomach tablets, a prescription that has done more to cure indigestion and put the stomach in fine condition than all the specialists on earth.

A large 50-cent box of MI-O-NA stomach tablets is all you need to get quick and lasting relief. Rowley Drug Co. guarantees them.

Mrs. Altie Etson, of 93 Dun Road, Battle Creek, Mich., used MI-O-NA and within two months was in as good health as ever, and has a good strong stomach, and eats anything she likes. She attributes her good health to MI-O-NA.

If you have heartburn, belching of gas, heaviness or any stomach trouble no matter how chronic, try MI-O-NA stomach tablets on money back plan. Sold by the Rowley Drug Co., and leading druggists everywhere.

—All parties having bills against the Sunday School Convention will please get them into the hands of the treasurer, J. G. Quick, as soon as possible.

—300 Eastern pressed hat shapes at one-fourth discount. The Misses Rutherford.

MISERY FROM STOMACH GOES

No Indigestion, Heartburn, Gas or Dyspepsia Five Minutes Later

—Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapiesin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is sign of indigestion.

Get from your pharmacist a 50-cent case of Pape's Diapiesin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.

THAT CANADIAN CONVENTION

One of the first ambitions of the present administration is to bring about the establishment of closer trade relations with Canada. Negotiations to that end are now under way and their progress will be followed with the closest interest on both sides of the border. It is impossible to forecast, at this time, the result of the present conference, but there is a fear among those who are best posted upon conditions in the two countries, lest it should come to naught in the end.

In these United States there seems to be an unanimous sentiment in favor of reciprocity, but the same cannot be said of the Canadians. Until very recently they were eager for closer trade relations with us and there have been numerous opportunities to bring about a commercial union during the past fifty years. In the meantime Canada has been building up a commercial system of her own and it has come to be encouragingly prosperous. This has caused many of the most thoughtful among the Canadians to doubt the wisdom of an intimate alliance with a more powerful neighbor, when conflicts of interest are very possible.

In some sections of the Dominion the fear that the United States would use such an alliance as is proposed to break down the industries of the weaker member, has been forecasted. This, however, has never gained credence with the more thoughtful Canadians; in fact they appear to realize that we must encourage the industries of both countries in order to get the most out of the combination. Some of the newspapers, especially in England, have advanced the thought that a commercial union of the two countries could only result in their political consolidation, but the history of the Mother Country is full of instances showing that such a result would not necessarily follow. In fact, there is no real reason why a combination should not be made which would be of great advantage to both parties, but the fears now existing in the minds of our neighbors make the success of the present convention more than doubtful.

FEDERAL EFFICIENCY

During the past two years the Tulare County district has been having a practical demonstration of the work done by Federal experts. In some way the Counties in this district, Tulare, Kern, Kings and Fresno, became infected with ticks, probably brought in by stock shipped from the Southern States. The Agricultural Department promptly started one of its best experts upon the work and he will soon be ready to report the complete extermination of the pest. It would be difficult to estimate the value of this accomplishment to the ranchers of that district and the State, it can hardly be stated in dollars and cents. When we remember that this is but a single and comparatively insignificant instance of the beneficial activities of this department we can better appreciate its value to the Country as a whole.

A rumor was current in Washington the other day to the effect that President Taft favored Mayor Gaynor of New York for one of the vacancies on the Supreme Bench. This gentleman has undoubtedly been doing a good work for the municipality of which he is the head but the West will refuse to believe he fills Mr. Taft's measure of a Justice of the Supreme Court until the appointment is announced. If that appointment is made it might be well to round it out by giving Murphy a place on the Court of Commerce.

The name of Santa Claus in the headlines has an old, familiar look, though he should have had the courtesy to remain in retirement until Thanksgiving was safely out of the way.

Count Zeppelin is said to be planning a trip to America in the near future, but it is a significant fact that he has made no promise to come by the air route.

Santa Monica is alive to the need for practical education in the common schools and a strong sentiment has developed there in favor of the establishment of a Polytechnic High School at once. The members of the local school board are looking the town over for suitable sites and as soon as they have secured one the people will be called upon to say whether or not they are willing to provide the money necessary for the buildings and equipment.

The attempts of the commission to negotiate a special tariff treaty with Canada are being seriously embarrassed by the throng of special interest representatives seeking to secure advantage from it. It may be that some time some way will be found to force these special interests to sit back and accept laws and treaties as the common people have always been obliged to do.

As if to show that a man's wealth or social position cut no figure before the tribunal, the Supreme Court has confirmed the ruling of a lower court when it sentenced Millionaire A. P. Heinze to serve ten days in jail for obstructing the course of justice. May the day speedily come when the only question in any of the courts will be what a man has done and not what he may happen to be.

The vote cast in Washington last Tuesday very evidently means that the cause of Woman's Suffrage is still moving on. It also promises a pleasing time for our representatives at Sacramento this coming winter, when the lobbyists for the cause, with their ardor inflamed by this splendid victory, turn loose the full battery of their charms.

If the actions of the Arizona Constitutional Convention result in forcing her to remain in the Territorial ranks, while New Mexico is triumphantly admitted into the sisterhood of states, the voters may come to have some doubts as to the wisdom of being so generous with their Democratic majorities.

The news that a soulless combine has secured control of the year's bean output with the design of boosting the price will undoubtedly cast a gloom upon the post election festivities in Boston.

Some of our newspaper friends are talking very wisely about Roosevelt being in eclipse. They may possess their souls in patience; the shadow will pass.

Latest returns from Mexico show that Americans are still safe down there if they are backed by a sufficient number of repeating rifles.

WASH THAT ITCH AWAY

It is said that there are certain springs in Europe that give relief and cure to Eczema and other skin diseases. If you knew that by washing in these waters you could be relieved from that awful itch, wouldn't you make every effort to take a trip to Europe at once? Would you not be willing to spend your last cent to find the cure?

But you need not leave home for these distant springs. Relief is right here in your own home town.

A simple wash of Oil of Wintergreen, Thymol and other ingredients as compounded only in D. D. D. Prescription will bring instant relief to that terrible burning itch, and leave the skin as smooth and healthy as that of a child.

If you have not already tried it, get at least a 25 cent bottle today. We assure you of instant relief.

FOUR POWERS TO PLACE LIBERIA ON HER FEET

PARIS, Nov. 17.—According to the Temps yesterday the United States, Great Britain, Germany and France have reached an agreement to rehabilitate the finances of Liberia.

The special position of the United States is recognized in the agreement, which provides that Liberia, without losing her rights of sovereignty, shall be represented abroad in the diplomatic and consular services by the United States. Another provision is that the four powers liquidate the debt of Liberia and take joint control of the customs.

Society

G. A. R. Literary Entertainment
The G. A. R. will give a literary entertainment at their hall on Friday evening, Nov. 25th.

Tustin "Y" Meeting
The Tustin "Y" will meet Friday evening, Nov. 18, with Misses Julia and Rose Ebel on McFadden street instead of with Mr. Claude Martin as previously announced.

Anti-Narcotics is the subject and a good program has been prepared.

C. E. Social and Business Meeting
The Intermediate Christian Endeavor Society of the First Presbyterian church will hold its monthly business and social meeting in the Sunday school room of the church, Friday evening, Nov. 18 at 7:30 sharp. All members are urged to be present.

Spoke at Banquet
Rev. Chas. H. Secombe was among other well known Congregational

ministers who Tuesday night addressed an assembly of men and women at a banquet given to the ladies by the men of the congregation of Redlands First Congregational church. Other speakers were Rev. William Horace Day of Los Angeles, Dr. Lemasters of Los Angeles, and Rev. Davis of Redlands.

Lewis-Hill

The home of Mr. and Mrs. S. C. Hill was the scene of a very pretty wedding, when on the evening of Nov. 15, 1910, their only daughter, Elizabeth, became the bride of Wilford Lewis of this city.

The house was tastefully decorated with ropes of asparagus plumosus and white chrysanthemums in the parlor while in the dining room large bowls of the snowy blossoms were effectively arranged.

The table was beautifully decorated with a centerpiece of carnations and ferns placed upon a large mirror banked with ferns, while directly above it was suspended a white bell tied with ribbons and rosettes of fluffy tulle.

The bridal couple, unattended, stood under a wedding bell suspended in the arch between the two rooms while Rev. J. A. Stevenson pronounced the words which made the two husband and wife using the beautiful ring ceremony.

After a delicious dinner the happy couple left on the 8:30 car for a short honeymoon trip in Los Angeles, followed by the rice and good wishes of their many friends.

The bride, who has spent a large part of her life at her home on Twentieth street, was very sweet and charming in a gray tailored suit with accessories to match, and a large black velvet hat.

On their return Mr. and Mrs. Lewis will make their home on a ranch near Smelter. Many beautiful gifts of silver, china, cut glass, pictures, and bric-a-brac attested the love of friends who wish the young couple a long life filled with happiness and prosperity.

Besides the immediate family of the bride, those present were Mr. and Mrs. T. J. Lewis of this city, parents of the groom, Mr. and Mrs. Dimmack, Mr. and Mrs. Cleaver, Mr. and Mrs. Munroe Taylor of Huntington

Beach, Mr. and Mrs. Lavach of Los Angeles, sisters and brothers-in-law of the groom; Misses Ruth Lewis, sister of the groom, Lela Mills of Tulare county, Laura Wilson, Ora G. Coleman; Messrs. Clarence Skiles and Wiley Crissman.

Shower for Miss Schildmeyer

Miss Emma Schildmeyer is and has been the center of many pretty attentions from her friends in the short time elapsing before her marriage to Arthur Hofer on Thanksgiving Day. Another in the cycle of social events given in her honor was a handkerchief shower and luncheon given at the Hofer home last night by her sister, Miss Martha Schildmeyer, and Miss Helen Hofer, sister of the bridegroom-to-be. Chrysanthemums, lovely with their curling, silky petals, were used to adorn the rooms of the pleasant home and the daintily-spread table around which the guests assembled for a five course luncheon served at 6 o'clock. Above the center of the table, suspended by the handle from the electrolite, was a Japanese umbrella with glowing red ribbons attached, these reaching to the plates of the guests. As the last course was cleared away, each girl pulled the ribbon at her plate, and presto! the quaint umbrella overturned, showering dainty filmy handkerchiefs on the table. Such a pretty shower! And the shower as well as all the rest of the delightful affair was a surprise to the bride-to-be.

The evening that followed was passed in a game of hearts, music and girlish chat.

Those present beside the hostesses were Misses Emma Schildmeyer, Christina and Mary Lutz, Minnie Rohrs, Ida Schroeder, Kate Frazier, Winifred Huser, Alfreda Holzgrafe, Marie and Nellie Rohrs.

Garden Grove Reception

The W.C.T.U. of Garden Grove will give a reception to the teachers at the school auditorium in Garden Grove tomorrow night.

Noon Luncheon

Mrs. E. M. Smiley today entertained her Sunday School class of the First Presbyterian church at noon luncheon. Roses were used in decorations for the luncheon which was served in three courses.

Covers were laid for the following guests: Misses Beatrice Charlton, Hazel Waite, Gertrude Kiffel, Katherine Taylor, Dorothy Harding, Emma Fisher.

AMUSEMENTS**"Arizona" at the Grand**

The play, "Arizona," at the Grand Opera House last evening, deserved a much larger audience than was there to see it. Most plays at the Grand do. But occasionally there is one that has too large an audience, even though the said audience should consist of only the ushers and the janitor. Certainly, however, "Arizona" was not in the latter exceptional class. It was a wholesome western melo-drama, and the company was a good one. There wasn't much to laugh at, though an occasional touch of humor relieved the somewhat somber sentiment that ran throughout the story. Intense interest was maintained to the end, and the appeal was to the noble and generous sentiments of the human heart.

Pepito Arriola's Recital

"He is a miracle," said one of the auditors who sat amazed through all the wonder of Pepito Arriola's marvelous playing last night. And what but the miraculous can explain the subtle power that pervades both soul and body of the childish pianist who dares to interpret the music of the masters—and who in doing, achieves a success that dazzles the world of musicians and laymen alike?

Liszt, Beethoven, Chopin, Mozart, Schumann—all are as one to Pepito, as he interprets their heavenly melodies with supreme ease. The truth is, music is embodied in Pepito Arriola, and he translates his splendid endowment with a technique and power that are ordinarily achieved only by years of toilsome study, practice and time's development, but which in him are but the rounding out of his birthright.

Whether pounding out the physically tremendous chords of some masterpiece or caressingly coaxing the tender sigh of a nocturne, the boy was a constant marvel, yet so easily did the young hands manipulate the grand piano keys and evolve mighty effects, that only the small form and boyish head with its cropped wealth of hair, reminded the audience that

May we drop you a few timely hints?

Winter-weight underwear will make you far more comfortable just now—more so later on. We have it in all popular makes, especially in the DUOFOLD, COOPERS & MENTOR at 50c, \$1, \$1.50.

Gloves, too are needed. We have the best in dress, walking and driving makes. \$1 to \$4.

And, just to remind you, we have everything else in men's furnishings.

Vandermast & Son

It was a child and not a mature and experienced artist who evoked the glorious music to which it listened spell-bound, only to break into enthusiastic applause that recalled the white-clad boy again and again.

To write a critique of the performance of this marvelous child is a superfluous. That he can give the world an illuminating interpretation of the great musical geniuses of all ages is the splendid sum and substance of the divinely given skill of Pepito Arriola, the twelve-year-old marvel of modern musical history. Of his capacity, the program of last night tells an eloquent story:

Dr. Roberts and Glenn Martin Not Fighting

Contrary to the opinion of some few persons about there being a fight on between Manager Roberts of the Temple Theater and Mr. Glenn Martin, the local daring bird-man, it should be understood that these two progressive gentlemen are working in perfect harmony along lines relative to advancing of public interest in flying machines, by giving exhibitions of thrilling flights. Mr. Martin announces that he will give the public a chance to witness him in one of these wonderful performances on next Tuesday, and that all might have a better idea of the wonderful construction of these frail crafts, Manager Roberts has secured the right of exhibiting at his theater to-night and Friday, a complete exhibition of the construction and assembling of a complete machine. The picture takes you through the great works at Hammondsport, N. Y., where the famous Curtiss flyers are made. You see marvelous stunts in flying by Mr. Ely and Bud Mars, the latter in hurdle jumping tricks and hair-raising dips, made famous by Hamilton. Be sure to see this big show and then you will want to witness Mr. Martin, Santa Ana's first bird-man.

If I am to judge by remarks which I have already heard this morning concerning the Arriola recital last evening, I think I am in a position to say, "I told you so."

If there were those there who could not comprehend the affair from a musical standpoint, they must at least have been astounded at the marvelous performance of the child from a purely technical one. I thoroughly believe he is the greatest genius as a child performer who has ever lived, not excepting Mozart, for one must remember that in Mozart's time the technical difficulties of piano playing were as nothing compared to the present.

Pepito and his mother were charmed with what they saw of our beautiful little city. In fact, he says he wants a villa here. He also wants to give another concert here. But more of this later.

GARDEN GROVE NEWS LETTER

Street Lights Are Much Appreciated—Reports of Social Affairs

GARDEN GROVE, Nov. 16.—Garden Grove has the street lights in good shape and the town is a light town now in the place of a dark one, which is very much appreciated by all who have occasion to visit here in the evening.

G. T. Saunders has sold his four-acre place in the Home tract to Mr. Wells and Mr. Wells sold his home in the Home tract to Mr. Compton of Seattle.

Dr. and Mrs. Violet will take their family into Santa Ana this evening to hear the "Musical Prodigy" at Spurgeon's Hall.

Rev. J. Roth of Los Angeles was the speaker at the Baptist church last Sunday and will occupy the pulpit again next Sunday.

A. G. Reed returned from a business trip to Tulare today.

Mrs. Harriett Baker of Fullerton was a business visitor here yesterday. Mr. and Mrs. W. L. Jencks spent Saturday and Sunday with his parents at Pomona.

D. McKeon of Artesia is a business

visitor in town today.

Fred Mott is a business visitor at Corona.

Mr. Hopkins has sold his place northeast of town and has moved his family to Los Angeles.

Bert Mills of Los Alamitos visited with his sister, Mrs. H. L. Parks yesterday.

The infant child of Mr. and Mrs. Henry Luther died very suddenly this morning of heart disease.

Mrs. Ruel is very sick at her home northeast of town.

Frankie Reeks, who had his leg broken some time ago, is able to be around on crutches.

Mrs. Disher who has been very sick for some time remains about the same and is not expected to recover.

About thirty of the members and friends of the Y. P. B. met at the home of Miss Elma Butler last Friday evening. After an interesting business meeting the discussion of "Woman's Suffrage" was taken up and voted upon, the majority being in favor of women having the ballot. Mrs. Harper read a story entitled, "Who is to Blame," and the society sang, "Will It Pay?" Refreshments of cocoa and cake were served, after which games were played. The meeting adjourned to meet the second Friday in December at the home of Miss Reba Steel.

Mrs. S. S. Jackson is among the sick ones this week. The little Sawyer baby which weighed 1½ pounds at birth is improving all the time and hopes are had for its safety.

Mr. G. T. Saunders has moved his family into the Graham place west of town.

Mrs. Josephine Keeler entertained a number of Garden Grove ladies at an afternoon tea yesterday. A very enjoyable time was had by all present.

A farewell party was given by the eighth grade to Miss Leah Hopkins at the home of Mrs. W. B. Harper last Saturday evening. Only about sixteen of the class were present on account of the bad weather, but Miss Leah was very much surprised and pleased to be remembered so kindly by her classmates. A most enjoyable time was had.

MISSING BOY HAS RETURNED

He Had Been in Railroad Camp In Nevada—At Work on "Dummy" Track

Orange News: Denver Bollinger, son of R. H. Bollinger, who has been away from home for several months, and for whom his parents have been conducting a search, returned Sunday, to the intense relief of his mother, who was prostrated with anxiety for her son.

Young Bollinger was in a railroad camp near Caliente, Nevada, where the Salt Lake is building its new line. He had written to his parents, but the letter was delayed on the way for some three weeks, and it was but a short time ago that they learned of his location and sent for him. The boy shipped to Nevada from San Bernardino, where he worked for some time before going.

A gang of men were engaged today in leveling up the P. E. track on South Glassell, laying new ties in place of the badly worn ones with which the track is supported.

Speculation is naturally active over the probable policy of the P. E. in relation to putting in an electric line. Some believe that the prospects for an extension of the electric road at an early date are good, arguing that if a line is opened to Riverside, Orange would logically be on the connecting line to Santa Ana.

It is reported that grading upon the new line to Riverside is under way five miles in that direction from the end of the present La Habra line. This is taken as an indication that a canyon line to Riverside will soon be opened.

Clyde Newton and G. S. Harper last evening attended a meeting of the committee appointed to form a plan of finance and organization of the Southern California Amateur Basketball League. The meeting was held in Los Angeles and plans were formulated for the government of the league.

Ten teams will enter and will have representatives at a meeting November 30th, at which the schedule will be drawn. The league was registered today with the Amateur Athletic Association, assuring that the winner of the trophy offered by Spalding's will have a clear title to the amateur championship.

Negotiations have also been opened with Syracuse University, N. Y., which plans to send a team to the coast this year. If the great Eastern college team comes to Southern California the game with the Orange team would be the biggest basketball event ever pulled off in this part of the state.

The local team expects a stiff game with the Huntington Beach team tomorrow evening, when the fast High School players will appear here. Huntington Beach forwards have a deadly eye for baskets and they are expected to run a higher score than any team that has yet appeared here.

A number of Orange Woodmen of the World and their ladies attended a box social of the Santa Ana lodge last evening at which all the lodges of the county were entertained. The

social was nominally a "poverty" social, the guests being attired in appropriate costumes, but the poverty feature was forgotten when some rivalry developed in the sale of the boxes, some of which went as high as \$4.75.

The Orange lodge will give one here on November 25th, to which Santa Ana, Anaheim and Fullerton lodges will be invited. Those who attended from here last evening were: Mr. and Mrs. R. L. Coates, the Misses Bernice Gould, Hilda Kerchoff, Agnes Kerchoff, and Carl Gates, Wm. Porter and Merle Stocking.

Advance Dancing Class
Prof. Bear will form his advance class in dancing Friday evening, November 18, 6 to 7:30 p.m., Spurgeon's Hall. Six lessons, \$2.50. The following dances will be taught: La Comas, Rye Waltz, Trilby Two-Step, Three-Step, Five-Step Military Schottische. Private lessons by appointment. Social dance, 8:45 to 11:30. Ladies free, gentlemen 50 cents. Special dance will be given Thanksgiving night by invitation. Same admission.

HOBO FLIGHT IS NOW BEGUN

Several Able Bodied Non-workers Have Been Taken In Recently

The early birds of the usual winter hobo flight are arriving, and each day sees the increase. Within the last week several back door beggars have been taken in. As a rule they are a healthy-looking lot, and evidently about as worthless as they are healthy looking. This morning Justice Smithwick had three of the hobo variety before him, and not one of them had any excuse to offer. One of them was here last winter, and if he lives and keeps his health he will doubtless be here again next winter.

Last winter the officers handled the hobo element in good shape. There is a difference of opinion as to what should be done with the hoboes. Some would let them alone. Officers who have had years of experience with them state that the only way to keep hoboes from over-running a town is to "keep after them." In years past the rock pile has been of service to make the hobo shy of the county. It may be put to use again soon.

TO PROTECT THEIR PLANTS

Sum of \$1000 to be Spent by Water Companies in Much Needed Work

Anaheim Gazette: With a view to adopting measures for protecting their pumping plants up the river during the winter's floods, a joint meeting of the valley water boards was held at the office of the A.U.W. Co. on Friday morning. Representing the S.A.V.I. Co. were Messrs. Finley, Drake, Dierker and Rohrs. This side was represented by Messrs. Crowther, McLaughlin, Hale, Porter and Sherwood.

Superintendent Porter of the A.U.W. Co. was present and made report of the status of the situation.

The meeting decided to immediately take steps to protect the three plants, and on Monday 12-foot piles were placed about the first plant, of the A. U. W. Co. The two other plants which belong to the S.A.V.I. Co. are this week being similarly protected.

Wires will be entwined about the poles, which are being sunk six feet in the ground. Brush will be placed about the embankment and willow-trees planted. About \$1000 will be expended by the companies.

Last January these pumping-plants narrowly escaped washing out by the flood waters which swept down the river. The stream ran bank full of water, the heavy rains in the mountains sending down a torrential current not equaled in recent years in the canyon. The channel will be deepened a width of 40 feet. The work is being done by the superintendents of the two companies, acting under advisement of Engineer Kellogg.

Signet Rings OF Nugget Gold

These rings are made on this coast of nuggets of gold and are fashioned after the patterns in vogue in the early days of California. They are highly embellished with beautifully engraved figures in different tints of gold, and are the most popular of all the new rings.

Though representing all that is finest in the art of ring making, these rings are moderately priced.

Saturday, November 26, is the date set for our holiday opening.
